MEAL PLAN DINING

A meal plan purchase provides these advantages:

- **Convenience:** One card for all campus dining purchases
- **Variety and Flexibility:** Meal plans to fit your dining needs; many places to eat on campus include late evening and weekend dining
- **Favorite Flavors:** Many popular, national brands
- **Diet Preferences:** Vegetarian, vegan and healthy options are available at Crown Commons in the Student Union, SoVi in South Village Crossing, and many of the retail locations.

OVERVIEW OF MEAL PLANS

Meal Plan purchase is required by:

- **All first year residents** (freshman, defined as students who have earned 29 or fewer credit hours) living on campus, regardless of their housing assignment. A meal plan must be purchased each semester of occupancy.
- **Upperclassmen assigned to residence halls without private kitchens** are also considered to be living in “required housing,” and must choose a meal plan as part of the housing contract. These residences include: Holshouser, Hunt, Moore, Scott, and the suites in Oak, Wallace, Hawthorn, Laurel, Lynch, Miltimore, Belk and Witherspoon.

Meal plans are offered based upon the student’s current balance of earned credit hours.

*WHAT “UNLIMITED” MEANS IN A MEAL PLAN*

You may use meal swipes for yourself at SoVi and Crown Commons throughout the day as often as you like, as long as there is 15 minutes between each swipe. There are no guest swipes allowed on these plans.

You may also use meal swipes at SoVi2Go unless you’ve already swiped at SoVi or Crown Commons during that same meal period.

**Meal periods are as follows:**

<table>
<thead>
<tr>
<th>Time</th>
<th>Meal</th>
</tr>
</thead>
<tbody>
<tr>
<td>7:00 AM - 10:00 AM</td>
<td>breakfast</td>
</tr>
<tr>
<td>10:00 AM - 2:00 PM</td>
<td>lunch</td>
</tr>
<tr>
<td>2:00 PM - 5:00 PM</td>
<td>midday</td>
</tr>
<tr>
<td>5:00 PM - 8:30 PM</td>
<td>dinner</td>
</tr>
<tr>
<td>8:30 PM - 9:00 PM</td>
<td>evening</td>
</tr>
</tbody>
</table>

**Example:** if you’ve swiped into SoVi for dinner at 6:30 PM, you’ll have to wait until 8:30 PM to use a meal swipe at SoVi2Go. But you only have to wait 15 minutes to swipe in again to SoVi or Crown Commons. Conversely, if you have swiped into SoVi2Go at 3:00PM, you can’t use another meal swipe until the next meal period (dinner).

Weekend and holiday hours may affect meal periods.

**OPTIONAL DINING ACCOUNT**

An Optional Dining Account (ODA) is a dining debit account that can be used at all campus dining locations, including Outtakes convenience stores. ODA is available to all students; deposits can be made anytime during the year. Unused remaining balance rolls over from semester to semester, year to year, as long as the student is enrolled. For those with meal plans, ODA can supplement a meal plan when declining balance (DB) funds have been spent. ODA is also a convenient choice for students who live in Greek Village or on- or off-campus apartments.

**MEAL PLAN FAQS**

**How can I check to see which meal plan I have chosen?**

You have up until plans are billed to view your plan choice through your housing contract in RMS; after the meal plan has been billed you may view your choice by logging into your Student Banner account and review your bill.

**What if I choose a meal plan and then change my mind?**

Before August 21 when the plan is loaded onto the 49er ID Card, all students can change meal plans without incurring a charge. After that, students may request changes to their meal plans, up through the scheduled two-day room change period (September 10 and 11 for Fall 2015 and January 28 and 29 for Spring 2016 semester). To make a change, submit a Meal Plan Selection Form from the meal plans website (aux.uncc.edu/meal-plans). You will receive an email confirmation once the request is reviewed and processed.

Requests made after the plan is loaded onto the 49er Card will incur a $25 Meal Plan Processing Charge. Meal plan charges are prorated, whether the student has used the meal plan or not, after August 20 (Fall) and January 8 (Spring).

After the scheduled two-day room change period, no other meal plan changes may be made for the current semester. This also applies to students who have moved from required housing to non-required housing or off campus.

**Can my financial aid or student loans pay for my meal plan?**

Financial aid can pay for your meal plan if you have enough to cover tuition and housing charges first. Financial aid will not prepay for Optional Dining Account (ODA) or 49er Account funds.

**How does my meal plan work?**

Your 49er ID card provides access to your meal plan. The 49er Card system automatically (and in 'real time') keeps track of the two parts of your meal plan — the meals and the declining balance (DB).

Meal swipes are used for meals in the all-you-care-to-eat dining facilities: SoVi in South Village adjacent to the high-rise residence halls, or in Crown Commons located in the Student Union. Meal swipes may also be used for take-out at SoVi2Go. The plan is accessed by swiping your 49er ID card when entering.

Meals in the 7-Day Unlimited* Meals Plan may be used at any time Monday through Sunday. Meals in 5-Day Unlimited* Meals Plan may be used at any time Monday through Friday but are not available for use on weekends. You may use as many swipes as you want for yourself but guest swipes are not permitted for use with Unlimited* Meal Plans.

Meals in the Block Plans — the 65, 125, 150 and 175 meal swipe plans — are available for the semester and are counted down as they are used. Guest swipes are allowed with Block Plans.

The declining balance (DB) portion of any meal plans is like a prepaid debit account and is designed for use at all dining locations, including the retail venues like Chick-fil-A, Starbucks, and campus convenience stores. Each time you use DB you will receive a receipt showing the amount spent as well as the remaining balance.

Meal plans are good for the semester and allotted meals and DB both end at the conclusion of the semester.

**Which meal plan would be best for me?**

Consider the following when selecting your meal plan:

- The number of meals and snacks you usually eat in a week
- How often you will dine in all-you-care to eat facilities
- Your class schedule and where you will spend weekends
- Consider an Unlimited* Plan if you prefer to eat smaller meals throughout the day. Meal swipes are unlimited* throughout service hours, and can be used for take-out at SoVi2Go.

A Block Meal Plan is a good choice if you eat fewer large meals during a given week. Meal swipes are used in the dining halls, SoVi and Crown Commons, and may also be used at SoVi2Go*. The 65 Block Meal Plan contains 65 meal swipes which average about 4 meals per week; the 125 Meal Plan about 7 meals per week; the 150 Meal Plan about 9 meals per week; and the 175 Meal Plan about 10 meals per week. The meals in these plans may be eaten at any time and the register will display your remaining meal count each time a swipe is used. You may use more than one meal in a dining period and use swipes to allow a others to dine with you.

With both Unlimited* Plans and Block Plans, the declining balance (DB) portion of the meal plan may be used in all other dining locations.

Still need help selecting a plan? Call the 49erCard and Meal Plans Office, 704-687-7337 to speak to a Meal Plans specialist who will help you.

**What if I run out of DB funds? May I add more?**

No, you can’t add to DB but you can supplement a meal plan by depositing funds into the Optional Dining account (ODA). Minimum deposit is $5; funds carry forward and are available as long as you are enrolled, from semester-to-semester, year-to-year.

CROWN COMMONS

When Crown Commons in the Student Union opened in 2009, dining hall service changed in a big way. Much of the food is cooked in full view at ‘action’ stations, allowing for customization and a more personal dining experience. Action stations include:

• Pizza – fresh from a gas fired oven.
• Home cooking kitchen – comfort foods and rotisserie chicken
• Deli – fresh sliced meats, cheeses and fresh toppings, piled high on just-baked breads.
• Grilling station – burgers and other favorites grilled or charbroiled to order.
• International Fare – Flavors from around the world continuously rotate.
• Soup and Salad stations – Build a salad, then let the chef make it sizzle with grilled steak, chicken, or tofu.
• Waffle and cereal bars
• Daily vegan and gluten-sensitive entrées and abundant meat-free offerings for vegetarians

UNC Charlotte dining services has a professional culinary staff that includes ten chefs. There’s also registered dietitian on staff ensuring that dining halls always have entrées suitable for vegans, vegetarians and those with gluten sensitivity.

SOVI

South Village Crossing’s new dining hall, SoVi, embraces the latest culinary trends. Meals are made in smaller batches and served tapas-style on small plates. Benefits of this include portion awareness, brighter flavor, appealing presentation and waste reduction. Small plate presentation is not restrictive. You can go back for more of anything you want, as many times as you’d like. Action stations include:

• Asian station with Teppanyaki grill (Japanese-style iron griddle)
• Euro station with two Evo grills (round cook tops that offer a healthy cooking method and chef interaction)
• Italian area serving pasta, pizza and other favorites from gas-fired ovens
• Deli with hearth oven for toasted sandwiches and melts
• Extensive salad bar where proteins can be ordered to top leafy greens.
• More choices than ever available for vegans, vegetarians and those with gluten sensitivity
• Dessert case that features pastries, mousses, cookies and gelato

VENDING AND ATM SERVICES

Vending machines are liberally placed throughout campus. Almost every snack and drink machine accepts 49er Account, dollar bills and change. Machines at South Village Crossing, Fretwell and PORTAL also accept debit/credit cards. In the snack machines, healthier choices are in the column to the right.

In the event of malfunction, cash refunds are available in the Auxiliary Services Office, or you may submit an online report/refund request, or call 704-687-7333 to have the refund electronically credited to your 49er Account.

ATMs are located at multiple campus locations: Barnhardt Student Activity Center, Cone University Center, Prospector Building, and the Student Union.

• Students may highlight or mark the rented books just as they would if they purchased a book with plans to sell it back.

• Students may pay the rental fees by cash, check, credit, debit, 49er Account or Barnes & Noble gift cards. For security purposes, a valid credit card must also be provided regardless of the rental payment method.

• An email to remind students to return their books will be sent near the end of the semester. Books not returned (or returned in unusable condition) will be subject to replacement and processing fees.
